**IMPORT TRADE CONTROL**

New Delhi, the 28th March 1951

SUBJECT:—Income-tax Numbers—Applications for January—June 1951—Validity thereof.

No. 66-ITC(P.N.)/51.—It has been decided to admit as valid Income-tax Verification Numbers granted after the 1st July 1949 in the case of all applications submitted for the January—June 1951 licensing period.

2. In pursuance of the above decision it will now be open to a party who had obtained an Income-tax Verification Certificate Number after the 1st July 1949, to apply for reconsideration of any application submitted for the current period, which may have been rejected on the sole ground that a current Income-tax

Verification Certificate Number had not been furnished. In doing so, particulars of the number relied upon should be furnished.

3. Representations made in terms of paragraph 2 above are to be submitted so as to reach this office on or after the 1st May 1951 and not later than the 15th May 1951. Further all such representations should be clearly marked in red ink as having been submitted in terms of this Public Notice.

New Delhi, the 29th March 1951

SUBJECT:—Import of alcoholic essences falling under Serial No. 13 of Part V against licences granted for the import of non-alcoholic essences falling under Serial No. 79 of Part IV for January—June 1951.

No. 67-ITC(P.N.)/51.—It has been decided to permit import of essences containing spirit used for the manufacture of beverages falling under Serial No. 13 of Part V against licences issued for the period January—June 1951 and doubled in accordance with the Public Notice No. 49-ITC(P.N.)/51, dated the 13th March 1951 for the import of non-alcoholic essences falling under Serial No. 79 of Part IV.

2. It will not be necessary for holders of licences for non-alcoholic essences issued during January—June 1951 to get the description of the licence formally amended provided the licence has been specifically issued for essences not containing spirit and not for all the articles mentioned in the Appendix 'ZC' to the late Ministry of Commerce, Public Notice No. 150-ITC(P.N.)/50, dated the 15th December 1950. The Customs authorities have been advised to allow clearance of alcoholic essences against licences for non-alcoholic essences.

New Delhi, the 2nd April 1951

**SUBJECT:—Import of interchangeable parts of tractors, tractor tools and accessories.**

**No. 68-ITC(P.N.)/51.**—In order to remove certain difficulties and to meet certain requirements affecting the satisfactory operation of agricultural tractors in the country, the Government of India have decided as follows:—

(a) *Importation of Tractor Spare Parts of interchangeable character.*

The importation of spare parts for agricultural tractors falling under Serial No. 74 of Part V of the Import Trade Control Schedule is covered by Open General Licences XX and XXI. In this connection, it has come to the notice of the Government of India that the Customs authorities have no means of distinguishing the enduse in the case of such of these spare parts which are of an interchangeable character and which could equally well be utilised for ordinary motor vehicles.

It has, accordingly, been decided for this purpose to issue licences for spare parts for agricultural tractors to the accredited agents of foreign manufacturers of agricultural tractors, who are on the approved list of the Ministry of Food and Agriculture, Government of India. Such licences will be in the nature of identification certificates to enable Customs to allow clearance of interchangeable tractor spare parts under Open General Licences Nos. XX and XXI, when imported by the holder of such a licence, irrespective of the value. These licences are now being issued to the parties eligible to receive them and no separate application need be made for them.

This arrangement, however, does not in any way affect the classification of such spare parts for purposes of Customs Duty, which is entirely a matter resting with the Customs authorities.

(b) *Importation of Tractor Service Tools.*

These tools fall under two main categories, namely:—

(i) for stock and sale to actual users of tractors; and

(ii) for equipping the workshops of tractor importers who under the rules are required to maintain adequate service arrangements.

In the case of tractor tools required for stock and sale to actual users of tractors, it has been decided to allow holders of licences for tractors (complete units) to import such tools against these licences up to 5 per cent. of the C.I.F. value endorsed on the licence. This concession will automatically apply to all current licences for tractors and a specific endorsement to this effect will be made on all licences issued for tractors in future.

In the case of jigs and tools required by the accredited importers of tractors to equip their workshops in order to provide the after-sale service required of them under the rules, licences will be granted on the recommendation of the Ministry of Food and Agriculture, Government of India. For this purpose, parties who so qualify should apply in the prescribed form and procedure laid down in Public Notice No. 150-ITC(P.N.)/50, dated the 15th December 1950, to the Ministry of Food and Agriculture, Government of India, New Delhi.

The application is to be accompanied by a list in which full details are to be given of the individual tools which the party desires to import and full justification for the requirement is to be given in a covering letter to the application. These applications should be submitted, so as to reach the authority afore-mentioned by the 15th April 1951, the latest.

(c) *Importation of attachment to tractors and tractor implements.*

While tractor drawn implements are covered by Open General Licences XX and XXI, there are certain attachments, such as, trailers, which do not fall within that definition and yet are essential to the efficient operation of tractors. It has, accordingly, been decided to grant licences for such attachments on the recommendation of the Ministry of Food and Agriculture, Government of India, New Delhi. For this purpose the same procedure as set out in (b)(ii) above is to be followed.

**SUBJECT:—Extension of validity of licences granted for imports from a specified country for the licensing area as a whole.**

**No. 69-ITC(P.N.)/51.**—In partial modification of paragraphs 2 and 3 of the late Ministry of Commerce, Public Notice No. 168-ITC(P.N.)/50, dated 15th December 1950, it has been decided that all licences excepting those for the items mentioned in the

Annexure 'A' to this Public Notice will be deemed to be automatically valid to the extent indicated below to cover imports from countries other than those indicated in the licence without the necessity for an amendment in the country of shipment:—

(a) Licences still valid for imports from the dollar area or a dollar country will be valid for import from dollar, hard and/or soft currency licensing areas;

(b) Licences valid for imports from a specified country in the soft currency area will be valid for imports from the soft currency licensing area as a whole including Pakistan.

2. Licences for items mentioned in the Annexure 'A' to this Public Notice were granted exclusively for imports from specific countries in pursuance of trade agreements with those countries. Licences for these goods will be valid only for imports from the specific countries and will not be eligible for the concession mentioned in para. 1 above.

3. The modification mentioned above does not also apply to Open General Licence Concession licences which will continue to be valid only for the country for which they were originally granted.
